Senator Carl L. Marcellino  
Chairman, Environmental Conservation Committee  
Room 812, Legislative Office Building  
Albany, NY 12247

Dear Senator Marcellino:

I am writing to ask that you please place Bill S-1536 on the En Con Committee agenda and vote to report it to the Ways and Means Committee, with a request that it be reported to the floor for passage by the full Senate.

New York State is the only state in the nation that does not allow 14 and 15 year olds to have a junior big game license.

Our supervised young hunters are the safest hunters in the field. There is no reason to not allow them to hunt big game with a gun. They already hunt big game with a bow and hunt small game with a gun. Please allow them to go big game hunting with their mothers and fathers, forging a stronger bond in their family.

I urge you to please pass Bill S-1536.

Thank you.

Sincerely,
